Restaurants We had lunch at The Red Pig BBQ. The group split up for dinner, some enjoyed a Mexican restaurant and the balance went downtown main street to the Bistro

Additional Comments We spent the night at the AmericInn, enjoyed the Storyteller session and music on Main Street. On the return trip we toured the home of our 17<sup>th</sup> President Andrew Johnson. I think everyone enjoyed the trip.

I'll do it again in  6 months  1 year  2 years  3 years  Never!
