Additional
Comments

The train ride along the Hiaeassee River was relaxing and enjoyable. The weather was perfect. A few dogwood trees were just beginning to bloom. However, the redbud trees were in full color. The ride followed the river/valley and the view of the lower gource was rugged, scenic and unimpeded. This trip would be a great club activity in the fall, during the color season.

I'll do it again in 6 months 1 year 2 years 3 years Never!
